

The Rotary Club of Shrewsbury Darwin

Bulletin 20 October 1995

Scandal!

Hello and welcome to the 8th Darwin bulletin. A special warm welcome to our visiting Rotarians from Church Stretton. We hope that you enjoy your breakfast and will be fully awake after our business meeting. Like the rest of us!

This month we do have our best contribution to date. This is Val's conference report. We also have extended diary dates, duty rota (you'll love it!), Attendance figures (you'll love them even more!) and last of all amended committee line-ups.

URGENT

Your article will be printed here next month. I know that you will read this and remember that you promised it for this month. You're probably feeling embarrassed about it already. Yes, I know you haven't quite finished it yet but you did say it would be ready for the deadline. Didn't you?

Bournemouth

Conference Report

Maralyn & Peter and Tony & I arrived on Friday at 1.00 p.m. to what turned out to be a super weekend, starting with the Fancy Dress Dinner. There was much amusement not only from the staff who got into the spirit of things, but also from the hysterics as yet another group walked in and paraded around.

Peter went along in a Boar War uniform complete with the white pointed pith helmet and Maralyn was a big game hunter. Excellent body language here Maralyn!
